## BOOK RELEASE NOTIFICATION

January 31, 2011

*A Fly Fishing Guide to Rocky Mountain National Park* is now available and is distributed through Inter-Sports and Angler's Book Supply as well as through the book's website [www.flyfishingrmnp.com](http://www.flyfishingrmnp.com). The retail price is \$29.95.

The 256-page book is full-color throughout. Over 150 fishing destinations in Rocky Mountain National Park have been detailed with topographic maps, trail profiles, fishing tips and photographs. The book contains 40 pages of charts and tables containing detailed river and lake data, hatch charts and hiking information. The book also contains over 120 local expert and guide favorite flies not found in other books. It is packed with information on every fishable water in the Park.

I've enclosed a copy of the book for review in your publication. If you prepare a review, please forward a tear sheet to my email listed below. Please feel free to contact me if you have any questions.
